

## **Listening Section**

Watch 1 movie from the provided list each week for a total of 10 movies. Then fill out a movie sheet. I recommend setting a movie night, either Friday or Saturday. Invite your friends over or watch the movie with your family. Try to make this a fun event.

If you want to watch a movie not on the list, contact me. I chose these movies specifically because most of them were produced before 2000 and have an impact on American culture, which you may see being referred to in today's society.

Please watch them in English! If you must watch it with subtitles, that is ok, but then watch the movie again without them.
